

# HS-TF-M1STD-128G-V2

Hikvision Memory Card

TLC Technology

Capacity 128 GB

Class 10 | Write speed 85MB/s

To 3000 writing cycles

Suitable for video surveillance devices

Hikvision

Micro SD Card

128GB storage

More than 3000 read/write cycles

TLC technology offering potential for increased capacity, performance and stability

Suitable for use in Video Surveillance devices

Long life span

# Specifications

<b>Manufacturer</b>	Hikvision
<b>Capacity</b>	128GB
<b>Format</b>	MicroSD
<b>File System</b>	FAT32
<b>Max. read speed</b>	100 MB/s
<b>Max write speed</b>	85 MB/s
<b>NAND Flash</b>	TLC
<b>Compatibility</b>	Compatible with MicroSDHC, MicroSDXC, MicroSDHC UHS-I and MicroSDXC UHS-I
<b>Class</b>	10 U1 V30
<b>Operating temperature</b>	-25° ~ 85°
